

## BakeShure<sup>®</sup> Clean

### BakeShure<sup>®</sup> Complete Advantage

The BakeShure<sup>®</sup> Clean line of products are ideally suited for bakers whose customers demand a clean label. BakeShure<sup>®</sup> Complete Advantage is a reduced sodium baking powder and is a healthier choice compared to traditional baking powders. It is suitable for use in all chemically leavened bakery applications including: fresh baked, frozen, refrigerated and freezer-to-oven products.

#### Products

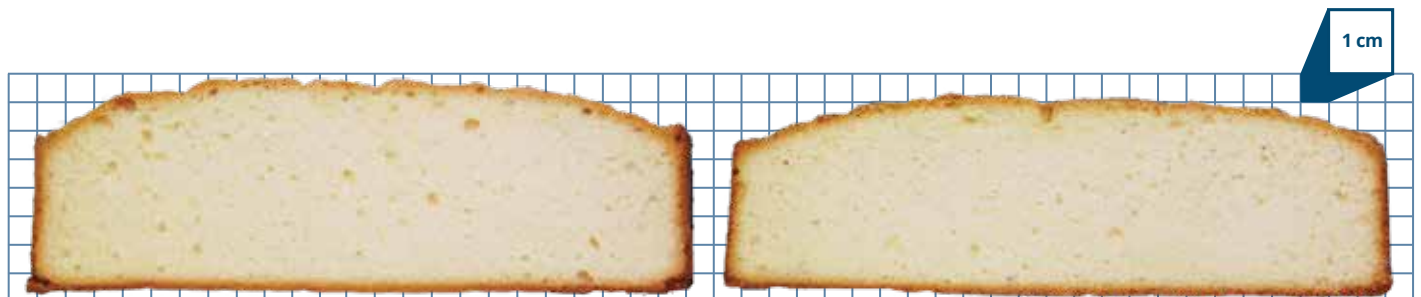

- 1:1 Replacement for baking powder
- Drop-in to new and existing formulations

#### Healthier for Baking

- Formulated without aluminum-containing ingredients

### BakeShure<sup>®</sup> Complete Advantage Provides Similar Leavening Performance as Baking Powder

**Baking Powder**

**BakeShure<sup>®</sup> Complete**

BakeShure<sup>®</sup> Complete Advantage replaces traditional baking powder and reduces sodium levels without impacting finished product volume or texture.
