

Balchem Corporation Announces Quarterly Conference Call for First Quarter Financial Results on May 4, 2018

New Hampton, New York. April 23, 2018. Balchem Corporation (NASDAQ: BCPC) today announced that a conference call will be held on Friday, May 4, 2018 at 11:00 AM Eastern Time (ET) to review first quarter 2018 results. Ted Harris, Chairman of the Board, CEO and President and Terry Coelho, CFO will host the call.

First quarter results will be published prior to the market opening on May 4, 2018. The press release, and its accompanying financial exhibits, will also be available on the Company website, www.balchem.com, prior to the conference call.

We invite you to listen to the conference by calling toll-free 1-877-407-8289 (local dial-in 1-201-689-8341), five minutes prior to the scheduled start time of the conference call. The conference call will be available for replay starting two hours after the conclusion of the call through end of day Friday, May 18, 2018. To access the replay of the conference call, dial 1-877-660-6853 (local dial-in 1-201-612-7415), and use conference ID #13679368.

About Balchem Corporation

Balchem Corporation reports four business segments: Human Nutrition & Health; Animal Nutrition & Health; Specialty Products; and Industrial Products. The Human Nutrition & Health segment delivers customized food and beverage ingredient systems, as well as key nutrients into a variety of applications across the food, supplement and pharmaceutical industries. The Animal Nutrition & Health segment manufactures and supplies products to numerous animal health markets. Through Specialty Products, Balchem provides specialty-packaged chemicals for use in healthcare and other industries, and also provides chelated minerals to the micronutrient agricultural market. The Industrial Products segment manufactures and supplies certain derivative products into industrial applications.
