**Balchem Corporation to Present at the  
H.C. Wainwright BIOCONNECT Virtual Conference  
January 10, 2022**

**New Hampton, New York. January 4, 2022.** Balchem Corporation (NASDAQ: BCPC) Chairman of the Board, Chief Executive Officer, and President Ted Harris and Chief Financial Officer Martin Bengtsson will present at the H.C. Wainwright BIOCONNECT Virtual Conference on January 10, 2022.

**About Balchem Corporation**

Balchem Corporation develops, manufactures and markets specialty ingredients that improve and enhance the health and well-being of life on the planet, providing state-of-the-art solutions and the finest quality products for a range of industries worldwide. The company reports three business segments: Human Nutrition & Health; Animal Nutrition & Health; and Specialty Products. The Human Nutrition & Health segment delivers customized food and beverage ingredient systems, as well as key nutrients into a variety of applications across the food, supplement and pharmaceutical industries. The Animal Nutrition & Health segment manufactures and supplies products to numerous animal health markets. Through Specialty Products, Balchem provides specialty-packaged chemicals for use in healthcare and other industries, and also provides chelated minerals to the micronutrient agricultural market.
