About Balchem Corporation

Balchem Corporation develops, manufactures and markets specialty ingredients that improve and enhance the health and well-being of life on the planet, providing state-of-the-art solutions and the finest quality products for a range of industries worldwide. The company reports three business segments: Human Nutrition & Health; Animal Nutrition & Health; and Specialty Products. The Human Nutrition & Health segment delivers customized food and beverage ingredient systems, as well as key nutrients into a variety of applications across the food, supplement and pharmaceutical industries. The Animal Nutrition & Health segment manufactures and supplies products to numerous animal health markets. Through Specialty Products, Balchem provides specialty-packaged chemicals for use in healthcare and other industries, and also provides chelated minerals to the micronutrient agricultural market.

Forward-Looking Statements

This release contains forward-looking statements, which reflect Balchem's expectation or belief concerning future events that involve risks and uncertainties. Balchem can give no assurance that the expectations reflected in forward-looking statements will prove correct and various factors could cause results to differ materially from Balchem's expectations, including risks and factors identified in Balchem's annual report on Form 10-K for the year ended December 31, 2021 and Form 10-Q for the quarterly period ended June 30, 2022. Forward-looking statements are qualified in their entirety by the above cautionary statement. Balchem assumes no duty to update its outlook or other forward-looking statements as of any future date.
